

K-Love serves me in Cheyenne, WY by just being Christian. There are so many different types of music out there but few are geared towards the Christian belief base. It is so encouraging to have K-LOVE doing just that. It encourages me. If K-LOVE were to be replaced by a LPFM broadcaster that provides other programming, I say we already have enough other programming. It isn't necessary! We don't have enough Christian programming as it is. I believe that K-LOVE is in the public interest for the mere fact that it is a positive and encouraging influence on our society as a whole. If you take time to listen to K-LOVE you will hear time and time again of testimony from people all over about how K-LOVE has impacted their lives positively! Please consider these words carefully and thoughtfully. Know that any attempt to remove K-LOVE will only take away from the heartbeat of Radio.

Thanks,
Patrice Spring
